
The Halachic Medical Directive

DURABLE POWER OF ATTORNEY/DECLARATION WITH RESPECT TO HEALTH CARE DECISIONS AND POST-MORTEM DECISIONS

FOR USE IN MARYLAND

The “Halachic Medical Directive” is designed to help ensure that all medical and post-death decisions made by others on your behalf will be made in accordance with Jewish law and custom (*halacha*). The text of this Halachic Medical Directive has been approved by attorneys for use in your state as of November, 2003. While we do not expect that any future change in federal or state laws would materially affect the validity of this document, you may wish to show it to your own attorney to confirm its effectiveness in subsequent years.

INSTRUCTIONS

(a) Please print your name and address on the first line of the form.

(b) In section 1, print the name, address, and telephone numbers of the person you wish to designate as your agent to make medical decisions on your behalf if, G-d forbid, you ever become incapable of making them on your own. Be sure to include all numbers (including cell phone and pager) where your agent can be reached in the event of an emergency. If the contact information for your agent changes, you should provide that updated information to everyone whom you have provided with a copy of your Halachic Medical Directive.

You may also insert the name, address, and telephone numbers of an alternate agent to make such decisions if your primary agent is unable, unwilling, or unavailable to make such decisions.

It is recommended that before appointing anyone to serve as your agent or alternate agent you should ascertain that person’s willingness to serve in such capacity. In addition, if you have made arrangements with a burial society (Chevra Kadisha), you may wish to advise your agents of such arrangements.

Note: This form is effective only if you and your agent(s) are competent adults (an adult is a person 18 years of age or older). An owner, operator, or employee of a health care facility from which you are receiving health care may not serve as a health care agent unless the person is your relative or close friend.

(c) In section 3, please print the name, address, and telephone numbers of the Orthodox Rabbi whose guidance you want your agent to follow, should any questions arise as to the requirements of *halacha*.

You should then print the name, address, and telephone numbers of the Orthodox Jewish institution or organization you want your agent to contact for a referral to another Orthodox Rabbi if the Rabbi you have identified is unable, unwilling or unavailable to provide the appropriate consultation and guidance.

You are, of course, free to insert the name of any Orthodox Rabbi or institution/organization you would like, but before doing so it is advisable to discuss the matter with the Rabbi or institution/organization to ascertain their competency and willingness to serve in such capacity. You may list Agudath Israel of America as the organization you select; however, we are only available to be contacted on regular business hours and days.

(d) You can choose whether your agent's authority becomes effective when your primary physician determines that you are unable to make an informed decision regarding your health care or when you signed this document by marking either choice in section 4.

(e) At the conclusion of the form, print the date, sign your name, and print your address.

(f) Two witnesses should sign their names and insert their addresses beneath your signature. These witnesses must be competent adults. **Neither of them should be** the person you have appointed as your health care agent (or alternate agent); and at least one of the witnesses must be an individual who is not knowingly entitled to any portion of your estate or knowingly entitled to any financial benefit by reason of your death.

(g) It is recommended that you keep the original of this form among your valuable papers in a location that is readily accessible in the event of an emergency and that you **distribute copies to the health care agent (and alternate agent)** you have designated in section 1, **to the Rabbi and institution/organization** you have designated in section 3, as well as to **your doctor, your lawyer,** and anyone else who is likely to be contacted in times of emergency. We also recommend that you register a copy of this form with a national registry, so that it can be accessed by any health care facility via computer. Agudath Israel has made an arrangement with the New York Legal Assistance Group to register Halachic Medical Directives for our constituents with the U.S. Living Will Registry at no charge. To obtain the forms to enable you to do so, e-mail MDdirective@agudathisrael.org or call our office (212-797-9000).

(h) If at any time you wish to revoke this Halachic Medical Directive, you may do so by destroying or defacing the document or by signing and dating a written statement which expresses your intent to revoke it. To avoid possible confusion, it would be wise to try to obtain all originals and copies of the old Halachic Medical Directive and destroy them.

If you do not revoke this Halachic Medical Directive, it will remain in effect indefinitely. Obviously, if any of the persons whose names you have inserted in the Halachic Medical Directive dies or becomes otherwise incapable of serving in the role you have assigned, it would be wise to execute a new form.

(i) It is recommended that you also complete and cut out the **Emergency Instructions Card** contained on the last page of this Halachic Medical Directive, and carry it with you in your wallet or purse.

(j) If, upon consultation with your Rabbi, you would like to add to this Halachic Medical Directive any additional expression of your wishes with respect to medical and/or post-mortem decisions, you may do so by attaching a rider to the standardized form. If you choose to do so, or if you have any other questions concerning this form, please consult an attorney.

These instructions are not part of the Halachic Medical Directive and need not be kept attached to the executed document.

Jewish Law to Govern Health Care Decisions: I am Jewish. It is my desire, and I hereby direct, that all health care decisions made for me (whether made by my agent, a guardian appointed for me, or any other person) be made pursuant to Jewish law and custom as determined in accordance with strict Orthodox interpretation and tradition. Without limiting in any way the generality of the foregoing, it is my wish that Jewish law and custom should dictate the course of my health care with respect to such matters as the performance of cardio-pulmonary resuscitation if I suffer cardiac or respiratory arrest; the performance of life-sustaining surgical procedures and the initiation or maintenance of any particular course of life-sustaining medical treatment or other form of life-support maintenance, including the provision of nutrition and hydration; and the criteria by which death shall be determined, including the method by which such criteria shall be medically ascertained or confirmed.

Direction to Health Care Providers: Any health care provider shall rely upon and carry out the decisions of my agent, and may assume that such decisions reflect my wishes and were arrived at in accordance with the procedures set forth in this directive, unless such health care provider shall have good cause to believe that my agent has not acted in good faith in accordance with my wishes as expressed in this directive.

If the persons designated above as my agent and alternate agent are unable, unwilling or unavailable to serve in such capacity, it is my desire, and I hereby direct, that any health care provider or other person who will be making health care decisions on my behalf follow the procedures outlined in the above section headed "Ascertaining the Requirements of Jewish Law" in determining the requirements of Jewish law and custom.

Pending contact with the agent and/or Orthodox Rabbi described above, it is my desire, and I hereby direct, that all health care providers undertake all essential emergency and/or life sustaining measures on my behalf.

Access to Medical Records and Information; HIPAA: My agent is my personal representative, as such term is defined under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), and accordingly all of my protected health information (as such term is defined under HIPAA) and other medical records shall be made available to my agent upon request in the same manner as such information and records would be released and disclosed to me, and my agent shall have and may exercise all of the rights I would have regarding the use and disclosure of such information and records, as required under HIPAA.

Post-Mortem Decisions: It is also my desire, and I hereby direct, that after my death, all decisions concerning the handling and disposition of my body be made pursuant to Jewish law and custom as determined in accordance with strict Orthodox interpretation and tradition. For example, Jewish law generally requires expeditious burial and imposes special requirements with regard to the preparation of the body for burial. It is my wish that Jewish law and custom be followed with respect to these matters. I further direct that my agent be responsible for the disposition of my remains.

Further, subject to certain limited exceptions, Jewish law generally prohibits the performance of any autopsy or dissection. It is my wish that Jewish law and custom be followed with respect to such procedures, and with respect to all other post-mortem matters including the removal and usage of any of my body organs or tissue for transplantation or any other purposes. I direct that any health care provider in attendance at my death notify the agent and/or Orthodox Rabbi described above immediately upon my death, in addition to any other person whose consent by law must be solicited and obtained, prior to the use of any part of my body as an anatomical gift, so that appropriate decisions and arrangements can be made in accordance with my wishes. Pending such notification, and unless there is specific authorization by the Orthodox Rabbi consulted in accordance with the procedures outlined in the section above headed "Ascertaining the Requirements of Jewish Law", it is my desire, and I hereby direct, that no post-mortem procedure be performed on my body.

(4) My agent's authority becomes operative (initial the option that applies):

____ When this document is signed.

Agudath Israel of America, in partnership with the New York Legal Assistance Group (NYLAG) would like to encourage you to register your Halachic Medical Directive for free with the U.S. Living Will Registry®. The Registry will maintain a copy of your Halachic Medical Directive on a secure website that can be accessed instantly by any health care facility. We encourage registration because in many cases, a patient has to be rushed to a hospital and the family cannot locate the Halachic Medical Directive. The Registry solves this problem and therefore ensures that your health care wishes will be respected. (If you were to register on your own, there is a cost for the service. However, if you register through NYLAG, this service is provided at no cost.)

Benefits of registration are:

1. The U.S Living Will Registry® provides a wallet-sized card with your special identification number. The information on that card allows for a medical professional to view your Halachic Medical Directive at any time of the day or night. This provides peace of mind to yourself and your loved ones. No one will have to search for these vital documents should you become incapacitated since the only information the health care facility needs is readily available in your wallet or purse.
2. The U.S Living Will Registry® issues a new card every twelve months. This will allow you to remember to update any new information (change in telephone numbers, addresses or even change of appointed Health Care Proxy.)

To register your Halachic Medical Directive, all you need to do is complete the U.S. Living Will Registry Registration Agreement (attached.) Please note that if you do not feel comfortable providing your Social Security Number, you do not have to do so.

Please attach a clear copy of your Halachic Medical Directive to the U.S. Living Will Registry Registration Agreement, and send both documents to:

I, _____ ("Registrant" or "I"), request that the *U.S. Living Will Registry*®, with offices at 523 Westfield Ave., PO Box 2789 Westfield, New Jersey 07091-2789 ("Registry"), electronically store a copy of my attached advance directive (collectively, including but not limited to my: living will, health care proxy, or similar document[s], including organ donor information, provided to the Registry), and provide a copy of the stored advance directive image to any health care provider who requests it in conjunction with my care. A "health care provider" is any hospital, doctor, skilled nursing facility, nursing facility, home health care agency/provider, ambulatory surgery facility, hospice, or any authorized employee, contractor or agent of any of the foregoing, or other person believed charged with giving effect to my advance directive or assisting in same. I voluntarily execute this registration on the date set forth below, without coercion, duress or undue influence from any party, and I warrant and represent that I have the legal capacity to offer my consent to such registration. My registration is not effective until I receive written confirmation from the Registry, at the above address. I can only register through a Registry member Health Care Provider or a Registry Community Partner. The Registry's member Health Care Providers and Community Partners are not owned or operated by the Registry, and they cannot change any terms of this Registration Agreement; any oral changes are not effective. Only the Registry can change the terms of the Registration Agreement, and only in writing (except in emergencies, in the Registry's sole discretion). I have provided my Social Security number to facilitate the identification, retrieval and provision of my stored advance directive images to health care providers, and for the Registry's recordkeeping purposes only.

I. Registration and Certification: I submit the information contained herein to confirm my identity, in the event that a health care provider requests a copy of my advance directive. I certify that this information is correct and that the attached advance directive is my currently effective advance directive, which was properly executed in accordance with the laws of the state where it was executed. If the attached advance directive is a copy, I certify that it is a true and correct copy of the

original document. I agree to immediately notify the Registry, in writing, at the Registry's address listed above, in the event of my revocation of the attached advance directive or of this registration, or if the attached advance directive or the identifying information herein are changed in any way. I agree immediately to provide the Registry with a copy of the new/changed documents. I will indemnify and hold the Registry harmless for any damages resulting from the Registry's reliance on these certifications, or on any inaccurate information I supplied. If I don't notify the Registry in writing and in a timely manner of any changes, or of the revocation of my advance directive or this registration, or if I don't provide a true copy of the changed documents to the Registry, the Registry will not be liable for any damages resulting from the production of the documents on file to any health care provider. If my information is accessed over the Internet utilizing my unique registration number, my social security number ("SSN") will not be revealed, and it will not be visible or disclosed on the Registry's web page. If the card containing my unique registration number is lost or otherwise unavailable, health care providers will be able to access my documents using my SSN. Since most health care providers have access to their patients' SSN, providing your SSN to the Registry ensures the widest availability of your advance directive images to health care providers in time of need, even when your card is not available. The Registry will take appropriate steps to safeguard the privacy and confidentiality of each Registrant's SSN, and the Registry will not use SSNs for any purposes not specifically permitted by this Registration agreement. If you do not provide your SSN, your documents will be identified only by the unique registration number assigned by the Registry, which will significantly limit the accessibility of your documents.

II. Authorization: I authorize the Registry to send a copy of my advance directive to any health care provider (as defined herein) that requests a copy of it, provided the request conforms to the Registry's policies and procedures (or as deemed advisable by the Registry in an emergency situation, or as required by law). The Registry is not otherwise authorized to share my personal information with parties other than health care providers (as defined herein). A copy of this Agreement may be used in place of the original document.

III. Limitations on Liability: I understand that I will not be charged a fee to register or to maintain my registration. Registry shall not be liable to me or any person or entity for any liability arising from the improper transmission/disclosure of my advance directive, from the transmission of inaccurate or incomplete materials, or from the loss/misplacement/destruction/unavailability of all or part of my advance directive. If I don't agree to these terms, I am free not to use the Registry's service.

IV. Term: This Agreement shall remain in effect until Registry receives reliable information that the Registrant is deceased, the Registrant requests, in writing, that the Agreement be terminated, or until registration is cancelled pursuant to the Registry's policies and procedures. When the Agreement is terminated, Registry will use best efforts to remove Registrant's advance directive from its files.

I hereby agree to the terms herein, and certify the accuracy of the information provided. I agree to safeguard my Registration ID card from unauthorized access. I understand that anyone who gains access to my card can use it to gain access to my documents and personal information (but not to my SSN), and I will not hold the Registry liable for such unauthorized access.
